About Geoje

1-1. Basic Status

Together in Geoje, Connecting Hearts

Geoje,
a city where industry grows in the embrace of the sea
and tourism flourishes on nature's elegance, an island of dreams

Geoje is a charming city where the blue sea blends with a variety of attractions: the dynamism of the world-class shipbuilding industry, breathtaking natural maritime scenery such as Windy Hill and Oedo Island, and the historical heritage of the Korean War.
More than just a place to stay, we introduce Geoje City,
an attractive island where anyone can dream and realize those dreams!

6-3 Education

■ Korean Education System (School System)

The Korean education system consists of 6 years of elementary school, 3 years of middle school, 3 years of high school, and 4 years of university (with 2-3 years for junior college).
Currently, compulsory education is enforced up to middle school.

- School Age: Children who turn 6 years old by December 31 of the current year become subject to compulsory education and are eligible to enter elementary school in March of the following year.
- Enrollment Procedure: For foreign children, a school enrollment notice is not issued automatically, so it is necessary to visit a nearby elementary school with documents proving their residency in Korea for admission counseling.
- Inquiries: Geoje Office of Education, Gyeongsangnam-do (☎055-630-9271)
